Elementary and Norton Parks and
Recreation Office

For more info please contact
Norton Parks & Recreation Dept.
at **679-0754**

**RiverWorks[®]
Discovery**

- Find out which bugs, or macroinvertebrates, are indicators of a clean stream.
- See how long it takes for litter to go away on roadsides.
- Watch how a river becomes polluted and what each person can do to prevent that from happening.
- Each participant will make something to take home each day.

Discover how to protect
our rivers and streams
during this fun camp!

Clear Creek Park in Norton
TUE, July 23 & WED, July 24, 2013
